14. ABOUT ARNHEM & GELDERLAND

Arnhem

Arnhem is a bustling town where you will never get bored. Whatever your interests - shopping, going out, culture, or the countryside - might be. The historic town centre of Arnhem is definitely worth a visit. Restored to their former glory and joined underneath one of the shopping streets, the 40 medieval cellars show you what underground Arnhem used to look like. The history of the town is reflected in the town centre itself as well as in 100-year-old Sonsbeek park, where you can take a rest in the heart of the town! The Church of Eusebius dominates the skyline. This late Gothic ogive basilica boasts a unique glass lift, rising to 73 meters and offering you a view of the centre. On your way up you will also see the biggest carillon in Europe! Arnhem has been one of the most attractive shopping areas in the Netherlands for years, boasting a range of large chain stores and little clothes shops. Arnhem has turned into an attractive town for those with a passion for fashion. Your day, evening or weekend in Arnhem should not end until you have been to Korenmarkt, the bustling entertainment centre.

The City of Arnhem

Gelderland

Arnhem is situated in the province of Gelderland, famous for its wonderful forests and cultural habitats. For style and culture, visit Arnhem and the province. Here you find the famous Kröller-Müller Museum with its extensive sculpture garden. The Netherlands Open Air Museum, the famous Ouwehands Zoo and Burgers' Zoo are also close at hand. And of course the Airborne Museum. Discover the wonderful forests of the National Park "De Hoge Veluwe". This park is the largest continuous national park in the Netherlands. The area consists of 5,400 hectares of forest, heathland, marshland and drift-sand. There is a great diversity of plant and animal species and the Park is home to very rare species of thrush. Together with the Jachthuis Sint Hubertus, the Visitor Centre/Museonder, the Kröller-Müller Museum and the statues garden, the Park forms a unique and (inter)nationally famous combination of nature, art and architecture.
